Local Initiative Fund REQUEST FORM

The Local Initiative Fund has been set up to encourage more local events and initiatives, with funding provided from central club funds. This way we hope to further the primary aim of the TR3OC, namely encouraging more ownership and use of Triumph/BSA push rod triples. Applications for funding are made by initially completing this simple request form. The funds should be used to enhance events such as rallies, shows and one day events run by TR3OC members for TR3OC members.

How to complete this form. This form asks questions, about you, your group, your project and the cost of it. Please answer these brief questions and a detailed Application Form will then be sent to you. We will be happy to assist you in completing the full application. Once submitted, your completed Application and request for funding will be considered by the TR3OC Committee. Please complete your answers within the green boxes.

1. **About You** The name and details of the person who is making the application:

Name & TR3OC Membership No.:
Address:
Telephone:
E-mail:

2. **Your project** Please give your project a name (*no more than 20 words*). Please describe your project and explain how:

- It helps and supports a TR3OC event or associated event.
- It will promote the riding of BSA / Triumph air cooled triples.

3. **How much is your project going to cost?** Please enter an approximate cost of your project.
